WORK EXPERIENCE

IT Intern
Provincial Government Of Cavite | Trece Martires Cavite, Philippines
June 2023 - July 2023
- Supported the IT department in handling technology rollout and maintenance.
- Developed a simple yet comprehensive documentation regarding the government's website.

Mobile App Developer
Wazabi Sushi Bar | General Trias Cavite, Philippines
June 2022 - Feb 2023
- Developed a mobile POS in Android Studio with the use of Java, Realm and Firestore. It is integrated with a machine-learning algorithm that predicts consumer behavior. The data collected is then uploaded to the cloud that will be used by the store's website to display the most popular combinations ordered by the customers. This results in an improvement of the business' sales as it helps them on devising new marketing strategies.
